

Sprint 3 Retrospective

EasyTrage

3/03/18

Actions to stop doing:

- Being late to/absent from to meetings

Actions to start doing:

- Meet 3-5 times a week for at least an hour or two in the last sprint as it is the most feature heavy

Actions to keep doing:

- Communicating effectively as a team
- Set small personal goals between meetings
- Asking TAs about unfamiliar technology and sharing learning resources

Work completed/not completed:

Completed:

- Prices displayed on dashboard
- Suggestions displayed on dashboard, takes trade fees into account

Not completed:

- None - we decided to remove our last goal from our sprint 3 plan so there are technically no incomplete stories
