Sprint 3 Retrospective
EasyTrage
3/03/18

Actions to stop doing:
- Being late to/absent from to meetings

Actions to start doing:
- Meet 3-5 times a week for at least an hour or two in the last sprint as it is the most feature heavy

Actions to keep doing:
- Communicating effectively as a team
- Set small personal goals between meetings
- Asking TAs about unfamiliar technology and sharing learning resources

Work completed/not completed:
Completed:
- Prices displayed on dashboard
- Suggestions displayed on dashboard, takes trade fees into account

Not completed:
- None - we decided to remove our last goal from our sprint 3 plan so there are technically no incomplete stories
